

Sound Investment

Award-Winning Sound, Lighting and Video

heightening sensory appreciation

cielo

2005
PEOPLES CHOICE
BEST SOUND, DJ
and PATRONS

Sound Investment is a collective group of engineers, artists and consultants utilizing technology in the mediums of sound, video and lighting. Our audio and visual systems have been recognized time and time again for innovation and quality.

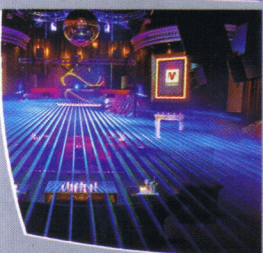

Sound Investment goes to great lengths to work interactively with **Designers** and **Architects** in order to ensure that a reciprocal relationship exists between the design of the environment and the performance of our entertainment technology systems. It is our goal to blend into the design in a considerate manner in order to offer inconspicuous performance to the customer.

2005
BEST SOUND AWARD
Club Systems Magazine

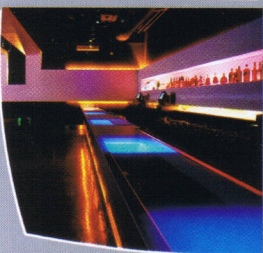

Sound Investment can participate in the following areas of the overall entertainment technologies process:

- Consultation and Design of the A/V System
- Consultation on operations
- Installation & Management of the Installation
- Calibration, Tuning & Staff Training for the A/V System
- Maintenance and Support for the A/V System

2004
BEST SOUND AWARD
Club Systems Magazine

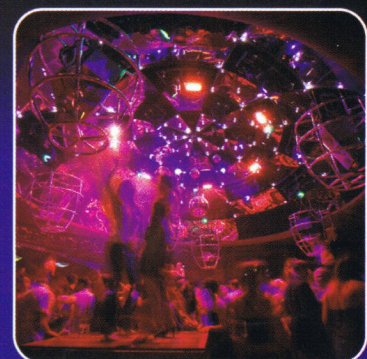

With representation in New York, Los Angeles, Miami, Las Vegas and Chicago, Sound Investment is facilitated to offer the highest quality of Audio/visual systems and support in the industry.

2003
BEST SOUND AWARD
Club Systems Magazine

Our input on acoustically appropriate environments and technology-ready aesthetics will prove to elevate the end results of the entertainment system, the overall aesthetic design of the venue and therefore the consumer experience.

Sound Investment: heightening sensory appreciation.
